

A top-down view of a white plate filled with Pad Thai. The dish consists of wide, flat rice noodles coated in a dark sauce, topped with three large, cooked shrimp, sliced green onions, and pieces of chicken. To the left of the noodles is a small pile of fresh bean sprouts. At the bottom left is a wedge of lime. At the bottom right is a small pile of roasted peanuts. A small pile of red chili flakes is also visible on the left side of the plate.
